

Stockings of hOPE

2020 edition

2020 has been especially tough for children and families in our community, but CAPA knows that families are able to do their best when they feel supported! This year, *hOPE* means a way to re-connect and enjoy some stress-free time together. This holiday season, gather your friends, family, and colleagues and help us show the families we serve in our prevention and counseling programs that we care.

HOW TO Participate:

Get creative! Pick up a gift bag, big popcorn bowl, bucket or basket of your choice.

Fill it with items to help children and their caregivers enjoy some family fun together during winter break.

Let us know you're participating!
