

PLAY like a kid!

Thanks for signing up to **Play Like a Kid** with us on Friday, June 10th, it's going to be a blast! Here are some details to get your team ready to play:

Please register your team name and five teammates at capacares.org/team-registration by Friday, May 27.

Adult teammates only please, but kids are welcome to come cheer.

Get creative with a fun team name and a unique team outfit, whether it's totally 80s aerobics class (Jane Fonda eat your heart out), high school gym class (complete with tube socks), or maybe football practice chic (pads are optional). The options are endless and there will be an award for the most creative "uniform"! Be sure to round out your look with comfy athletic shoes and don't be afraid to get a little dirty. We can't wait to see what you come up with!

The fun begins at 9:30 a.m. at the Franke Soccer Fields at Lake Jacomo (3552 Rennau Dr, Lee's Summit, MO 64064). Once your team arrives, you will sign-in, take a team photo, and receive your score cards and further instructions. Games will wrap up around 1:00 p.m., followed by an Awards Ceremony with special guest, Jackson Co. Executive, Frank White, Jr.

Classic American-fare lunch will be available for purchase from Kansas City's own **Humdinger Food Truck** – home of the famous Big Kahuna sandwich; please bring cash or credit so you don't have to sit on the sidelines while your teammates chow down. There will even be sweet treats available from 11-year-old entrepreneur **Mister DipZ** during and after the games!

To keep the fun going all year, we'll be raffling off four Worlds of Fun Gold Passes! One entry ticket is \$10 or you can buy three tickets for \$20. You can purchase raffle tickets at the registration table the day of the event. The winner will be announced during the awards ceremony. Each pass includes:

- Unlimited Visits to **Worlds of Fun** and **Oceans of Fun** in 2022
- Free Parking
- Food & Merch Discounts
- Bring-A-Friend Discounts

Rain or shine, we can't wait to see you on June 10th!

(If we have a severe weather threat, the event will take place on June 24)
