

Benefits of CAPA Internships

- Diverse client population
- Supportive staff and trauma-informed workplace
- Full-time intern supervisors
- Additional training
- Flexible scheduling (days, evenings, weekends)
- CPR/First Aid certification
- Monthly living stipend and education award for students who qualify for the AmeriCorps program

Requirements

- Some weekday (including school visits), evening, and/or weekend availability
- Monthly lunch and learn meetings
- Readiness to work with families experiencing complex trauma
- Positive attitude
- Personal initiative

At CAPA, we understand that diversity, equity, inclusion, and belonging (DEIB) are fundamental to realizing our vision of preventing and treating child abuse so children and families can be safe and reach their full potential. We celebrate the diversity of families and recognize them as experts in their own experiences.

capa
